Dear Brandy and Eugene:

Thank you for taking the time to visit Maconce Elementary School. Your presentation was very entertaining and captured the interest of the children. Thank you, also for incorporating our BEAR theme into your program. That will help reinforce our PBS rules with which the students are already familiar. Thanks again for the Bully No Bully Show we really did enjoy it.

Sincerely,

A handwritten signature in black ink that reads "Mrs. Carol S. Selby". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.
